

## CORPORATE DATA

DUNS: PENDING

CAGE: PENDING

### NAICS CODES:

332721 Precision Turned Production Mfg

332710 Machine Shops

### CERTIFICATIONS/DESIGNATIONS:

SBA Small Business Certified (PENDING)

## INDUSTRIES SERVED

- Aerospace
- Geotechnical
- Oil & Gas
- Medical
- Automation
- Material Handling
- Transportation
- Military
- Construction
- Industrial

## ABOUT US

Customers trust Kansas City Screw Products to deliver critical machined components with short lead times and exceptional responsiveness, satisfying both high and low-volume requirements. Located conveniently in the heart of the Midwest, we serve customers across the U.S. in a broad range of industries, such as Aerospace, Geotechnical, Oil & Gas, Medical, Automation and Material Handling. We work with a variety of metal and plastic materials and offer access to an extensive network of outside services, such as plating, coating, heat treating, grinding, and fabrication.

## CORE COMPETENCIES

- 3 Axis CNC Machining
- 4th Axis CNC Machining
- CNC and Manual Turning
- CNC Sawing
- Short-run Prototype to Production Quantities
- Design for Manufacturing (DFM) Consulting
- CAD CAM Services
- Screw Machine
- CAD CAM Services
- Reverse Engineering
- Inspection Services
- Experience with many grades of material: steel (carbon, alloy, stainless and tool), ductile iron, aluminum, brass, bronze, copper and various plastics, such as acetal, nylon and UHMW

## DIFFERENTIATORS

- First established in 1946, we've provided trusted services for over 77 years
- Highly responsive to customer needs, having multiple customers who have been with us for decades
- Our craftsmen have deep experience in precision machining, materials and quality control
- Centrally located in the heart of Kansas City, Missouri near major Interstates
- Strong systems and business processes

## PAST PERFORMANCES

List dates, dollar amount, agency/prime, your role, and results-focused description. When end-user is a federal agency. Can also include sub-contracting.
